

CHOPIN 2010

Alberta celebrates 200 years of Chopin's music

Call for sponsors

The year 2010 marks the 200th birthday of Fryderyk Chopin, one of history's most notable pianists and composers, and all Albertans are invited to join the celebration.

Working with Alberta's Polish consulate, the Polish Culture Society of Edmonton is taking a leadership role in preparation for this global event. With a mandate to promote art in a Canadian context, the Society's Chopin 2010 Celebration Committee brings a series of Chopin-based events to life. This year-long celebration runs across Alberta.

The Chopin 2010 Celebration Committee is collaborating with all levels of government and many cultural institutions, including the Edmonton Symphony Orchestra, the Calgary Philharmonic Orchestra, Events Edmonton, the Edmonton Jazz Society and Citie Ballet.

We are seeking sponsors to help us bring Chopin's legacy to Alberta's stages and kindly request your support. We have a variety of sponsor packages available for your consideration.

Please contact us anytime with questions. We look forward to hearing from you and thank you for your support.
